

WARNING LIGHT AND SIDEMARKER AMBER/WHITE/RED R65COMBINED FLASH/ POSITION LIGHT AMBER/RED

Art.no: 14-HB6-YR3

HB6 is a combination light that includes amber directional flash light and red side marker light, 12/24V. All functions are ECE approved and fulfil EMC R10. The lamp has a clear lens with colored diodes. The outer module is the position/side marker light with halo effect and the inner module is the directional flash light with 6 diodes. The different functions are controlled by separate cables. HB6 is water proof and with very flexible mounting possibilities. Several lights can be synchronized. Has 3 meter ADR-cable.
