

WORK / REVERSE LIGHT R23 35W

Art.no: 18-22851-WFL

Work light and reverse light for Heavy Duty applications. Illuminates with 1800 actual lumen, 35W. Gives a very bright light and has an even and smooth light pattern. Approved according to ECE R23/R148 and highest EMC norm CISPR25:5. Has a DT-connector in the housing, the connector is turned 180 degrees for optimal traction loading.

Technical information

| Brand | НВА |
|-----------------------|-----------------------|
| Voltage | 12/24V |
| Effect | 35W |
| Current | 1,45 A |
| Raw lumens | 2700 |
| Effective lumens | 1800 |
| Connection | DT connector built-in |
| IP rating | IP69K |
| ECE Approval | R23, R148 |
| EMC Approval | CISPR255, R10 |
| Dimensions (LxHxW) | 100 x 105 x 60 mm |
| Beam pattern | Wide Flood |
| Warranty | 5 Year |
| LED quantity | 6 st |
| Light source | LED |
| ADR | ADR approved |
| Bracket material | Stainless steel |
| Quantity in B-package | 20 st |
| Weight (kg) | 0.800000 |
