

LEGION LIGHT BAR AUTODIM 24V 1092MM

Art.no: 14-LDA1092-24

Legion warning light bar with a dimming function that automatically adjusts the intensity of light between day and night. Approved according to ECE R65 class 2/TA2. The bar has a very low profile measuring only 59 mm in height. Powerful diodes with 120 degree light scattering provide an efficient, visible light. The light bar is fully equipped with LED modules. Universal bracket for mounting is included, other vehicle-specific brackets are available as accessories.
