

DIRECTIONAL LIGHT 6 LED BLUE VERTICAL MOUNT 12/24V

Art.no: 14-MS6VE-B

MiniStealth is one of the smallest directional lights on the market. It is a small directional light with extremely powerful LEDs and great light spread. MiniStealth is delivered with 3 m cable, and is available for surface mount with rubber packing, or in a version with a 90 degree angled bracket or mount by a squeeze bracket. Maximum surface thickness 10 mm. Mount accessories include L-bracket or adjustable bracket. The directional light is waterproof and is available with either 6 or 3 LEDs. The directional light has 19 flashpatterns to choose from. Several directional lights can be synchronized, 12/24 V.
