

ALL-IN-ONE ENERGY SYSTEM 500W 230/12/5 V

Art.no: 22-500

Portable Power Station that provides 230V AC, 12V DC or 5V-USB power. Bring it with you wherever you go and minimize the amount of extra batteries you need to carry with you. The high performance 500W pure sine inverter will power up virtually any small 230V AC application. The station has a compact battery, smart design and is mobile. Easily supports portable computers, battery packs for hand held tools, smart devices, temporary 230V AC and works as backup to alarms and monitoring equipment. The high quality built-in LiFePO4 battery will keep your system powered up for a long time and the state of art battery management systems protects the batteries from overload and ensures the longest possible system lifetime. Measurement 37 x 25 x 13 cm. Weight 9.2 kg. Operating temperature -10° to +45° C.

Technical information

Brand	AWILCO
Current	50Ah
Dimensions (LxHxW)	370 x 250 x 130 mm
Warranty	2 Year
Weight (kg)	9.200000
