

WORK LIGHT ABL 1000lm 14W

Art.no: 18-0187

Round 1000 lumen ABL work light, 14W. The lamp has a hardened glass lens and built-in thermal control that protects the lamp and diodes from overheating. The effect is reduced by 25% when the lamp reaches a temperature of +50°C. This function prolongs the life span of the lamp. The light spread is symmetrical and the lamp can be mounted either standing or suspended. Built-in deutsch connector. takt.

Technical information

Brand	Abl Lights
Voltage	12/24V
Effect	14W
Current	0,58A/24V
Effective lumens	1000
Connection	DT connector built-in
IP rating	IP68
EMC Approval	CISPR255
Dimensions (LxHxW)	Ø91 x 77 mm
House material	Aluminum
Warranty	5 Year
LED quantity	6st
Light source	LED
Bracket material	Stainless steel
Weight (kg)	0.550000
