

## POLARIS WARNING/WORK LIGHT R65 CL2 360lm

Art.no: 14-24117

Polaris is a combined warning and work light. The directional warning light is approved according to ECE R65 CL2/XA2. The work light is angled 25° and provides 360 lumen. The compact measurements and combination of warning and work light makes this a versatile lamp with a lot of mounting possibilities. Delivers an amber warning light and white work lights. Several Polaris can be synchronized.

### Technical information
