

REACTOR WARNING LIGHT R65

Art.no: 14-822003

Reactor is a light and thin directional warning light for surface mount. The compact design makes it suitable for mounting in tight or inaccessible places. Reactor is mounted quick and easy with 3M tape and requires no screws or other fasteners. Approved according to ECE R65 class 1/XA1. Reactor offers 18 flash patterns and several units can be synchronized.

Technical information
