

RAIDEN FIT 1065 42" AUTODIM

Art.no: 14-RAF1065

Raiden FIT is an innovative warning light bar designed for high performance and easy handling. With an ultra-low profile of only 4 cm, it seamlessly integrates with the vehicle without compromising visibility or functionality.

The light bar is fully equipped with amber LEDs in all positions and meets both ECE R65 Class 2 and ICAO approvals, ensuring maximum safety and compatibility in various environments. Raiden FIT features an automatic dimming function that adjusts brightness according to ambient light, providing optimal visibility day and night. Additionally, it is easy to maintain thanks to a removable cover, allowing for quick and effortless module replacements when needed. With its combination of innovative technology, user-friendliness, and sleek design, Raiden FIT is the perfect solution for vehicles requiring high-performance warning lights.

MOUNTING FEET SOLD SEPARATELY AND NOT INCLUDED.
