

OZZ LED BAR 20" DOUBLE

Art.no: 12-8209

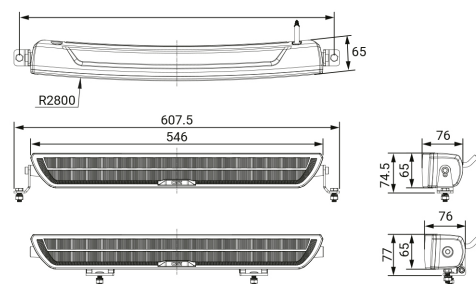

Experience the power of light with the OZZ DRB1 – a dual-row light bar designed for outstanding performance and durability. The dynamic position light in white and yellow creates an impressive visual effect, giving your vehicle a unique character.

OZZ DRB1 offers more than just powerful lighting and sleek design. With 34 diodes, the bar delivers 9,900 lumens in boost mode and 8,070 lumens in R112 mode, providing a reach of up to 600 meters at 1 lux.

With a rugged construction and IP68/IP69K rating, the OZZ DRB1 is built to withstand the toughest conditions. The light bar is E-approved according to ECE R112 and meets the EMC standard of ECE R10 – a reliable LED light bar that combines high quality with impressive performance!
