

## WORK/WARNING LIGHT 18W RE-CHARGE MAGNET

Art.no: 18-0200

Practical, portable, and rechargeable lamp with both work light and warning light. The lamp features a sturdy base with strong magnets. The work light has 18W output and two different power modes. The orange warning light, which is not R65 approved, offers two flash patterns: single flash and double flash. It charges easily via a USB-C port and is fully charged in about 4 hours. An LED indicator shows battery status. A full charge provides approximately 6 hours of operating time.

### Technical information

|                    |                       |
|--------------------|-----------------------|
